[ENG] We participated in the research and digitalization of a typographic revival project inspired by the work of Colombian artist Sergio Trujillo Magnenat. This 'typographic revival' is not limited to replicating old forms but adapts and modernizes typefaces to make them functional in today's context. Trujillo, known for his prolific career as a visual artist, left a legacy that includes illustrations, logos, and iconic posters, such as those designed for the Bolivarian Games in 1938. The project, led by the Instituto Caro y Cuervo, focused on recovering early 20th-century Colombian typefaces, by either reinterpreting or creating letters from scratch based on the original designs.

[ESP] Participamos en la investigación y digitalización de un proyecto de rescate tipográfico inspirado en la obra del artista colombiano Sergio Trujillo Magnenat. Este "rescate tipográfico" no se limita a replicar formas antiguas, sino que adapta y moderniza las tipografías para que sean funcionales en el contexto actual. Trujillo, conocido por su prolífica carrera como artista visual, dejó un legado que incluye ilustraciones, logotipos y carteles emblemáticos, como los diseñados para los Juegos Deportivos Bolivarianos de 1938. El proyecto, liderado por el Instituto Caro y Cuervo, se enfocó en recuperar tipografías del siglo XX en Colombia, reinterpretando o creando letras desde cero a partir de los diseños originales.
