[ENG] Jazz BT is a bold Slab Serif typeface with wide proportions and heavy teardrop terminals, giving it a strong Semi-Display character. It’s ideal for magazines, brochures, and editorial use where personality and readability are both important.

Its uppercase letters reflect Art Nouveau influences, with decorative and sometimes exaggerated forms, making it especially effective for headlines, logos, or standout text. Jazz BT blends classic elegance with visual impact, perfect for projects that need a distinctive and stylish typographic voice.

[ESP] JJazz BT es una tipografía Slab Serif de gran fuerza visual, con proporciones amplias y terminaciones en forma de gota que refuerzan su carácter Semi-Display. Es ideal para revistas, folletos y piezas editoriales donde se requiere identidad sin perder legibilidad.

Su caja alta refleja influencias del Art Nouveau, con formas decorativas y a veces exageradas, lo que la hace especialmente efectiva en titulares, logotipos o textos destacados. Jazz BT combina elegancia clásica con impacto visual, perfecta para proyectos que buscan una voz tipográfica distintiva y con estilo.
