LAMINABTBLACK 90PTS

[ENG] Lamina BT is a display typeface inspired by 1990s hip-hop posters. It is variable on two axes (weight and width) and was developed with 6 upright/roman masters and 6 oblique/italic masters, allowing it to range from ultra-condensed and light to expanded and very heavy. It also includes a stylistic set where diacritics and symbols are noticeably heavier than the letters.

[ESP] Lamina BT es una tipografía display inspirada en carteles de hip-hop de los 90. Es variable en dos ejes (peso y proporción) y fue desarrollada con 6 másters redondos/romanos y 6 másters oblicuos/itálicos, lo que permite pasar de una versión ultra condensada y ligera a una expandida y muy pesada. Además incluye un set estilístico complementario donde los signos y diacríticos son notablemente más pesados que las letras.
